MEMORANDUM OF UNDERSTANDING Between the WESTSIDE UNION SCHOOL DISTRICT and WESTSIDE UNION TEACHERS ASSOCIATION

This Agreement is between the Westside Union Teachers Association (“WUTA”) and Westside Union School District regarding trial staffing ratios in TK and Kindergarten classes at Valley View, Sundown, and Quartz Hill during the 2024-25 school year.

To coordinate funding with ELOP programs, parties agree that a pilot program will be put in place at the above-mentioned sites during the 24-25 school year. A portion of the school day for Kindergarten and TK classes at the above-mentioned sites will be staffed at a ratio of 10:1. This would include one teacher and additional instructional aides needed to meet this ratio.

This staffing ratio would only be in place for a portion of the school day, to be determined by the district, mainly in the afternoon.

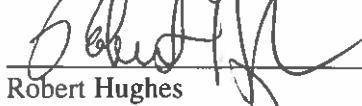

Staffing ratios would be adjusted in a staggered manner with the goal that the District would work to begin the pilot staffing at sites during the first quarter. The District will work to provide the added staffing at Quartz Hill first, then Valley View, and then Sundown; every effort will be made to get this staffing in place as soon as possible within the first quarter.

Parties agree that the district retains the right to discontinue the use of aides in these classes at any time during the 24-25 school year.

This MOU will expire on June 30, 2025
